A Read about the Nile family.

Unusual House – Unusual School

Meg and Rick Nile are from Ohio. They have two children, Chris and Pat. The Niles have an unusual home. Their house is an old bus. There is just one bedroom. The bus has a small living room, a kitchen, and a bathroom. The living room is Chris and Pat's bedroom, too! The children think their house is fun. "It's a really cool house," says Pat.

Chris and Pat go to an unusual school, too. It's in a very old house in the country. There are two classrooms and a library. The school has a nice yard, but there are no tennis courts or athletic fields.
